

Friends of the Melton Botanic Garden

Guided Walking Tour

NAIDOC Week - Friday 12 July 2019

During NAIDOC Week take a guided walk through the Melton Botanic Garden to see local indigenous plants from the Melton region and Aboriginal use plants including bush tucker plants.

The gentle walk is about one and a half hours followed by morning tea. Highlights are the natural features and remnant vegetation, Ryans Creek and the Lake indigenous plantings, Koori Student Garden, Indigenous Peoples Garden, Victorian Volcanic Plains Garden and the Bushfoods Garden.

- When: Friday 13 July 2018
Time: 10.00am – noon (with morning tea)
