

Pangarinda Botanic Garden

Rob Stewart (Vice-President FMBG)

The Friends of the Melton Botanic Garden February Meeting features Rob Stewart Vice-President, a long-time member of the Friends, and volunteer at the Melton Botanic Garden. Rob will share stunning photos and his experience of visiting the Pangarinda Botanic Garden and talking with the volunteers there.

Pangarinda Botanic Garden located in Wellington near Murry Bridge S.A. It is situated on 25ha of Crown Lands and is focused on the conservation of Australia's threatened flora. The garden prioritizes species from highly modified drier agricultural regions of southern mainland Australia. Beginning in 1993 with weed infested, eroded sand dunes, the small band of volunteers have created a beautiful low rainfall garden that is truly beautiful. Come and hear how they have overcome the challenges of this region and their work with local community groups to create and maintain this special place.

We hope to see you at this entertaining and inspiring evening.

Meeting raffle \$1/ticket.

Everyone is welcome. Free event. Supper provided.

WHEN: 7.30pm Wednesday 11February 2026
